- ◆ Review—Game Informer Magazine, February 2012

MP Publishing

- *Growing Up Dead in Texas*
- Stephen Graham Jones
 - **Trade Paper: ISBN-13 9781849821544, \$14.95, Spring 2012**
 - ◆ "If Quentin Tarantino and Cormac McCarthy crossed paths in a rundown whiskey bar just north of the Rio Grande, this is the book that backroad's connection would have produced. It's a novel, wrapped in mystery, dipped in autobiography with a dash of investigative journalism about Stephen Graham Jones' return to his hometown and the unintended ripples of a fire from his childhood that ripped the community apart and splintered the ties between ages-old families. It's a story of the fire, but it isn't. It's small town Texas ideals, dusty boots, and cotton bales. Its tragedy and re-opened wounds. It's truth being brought to light and ancient skeletons finally given their proper burial. Above all "Growing Up Dead in Texas" is a remarkable novelized memoir that stays with you like a rattlesnake bite."—Matt Falvey, Next Chapter Bookshop

New Horizon Press

- *Quest for Justice*
- Richard S. Jaffe
 - **Trade Cloth: ISBN-13 9780882823744, \$24.95, Winter 2012**
